A.Mano restaurant opened its doors on Orpington High Street in September 2018.

Founded by London-born, Italian-raised restaurateur and butcher Bruno and his family, A Mano, literally meaning 'by hand', promises to serve up a feast!

Committed to serving the best locally sourced ingredients, A.Mano offers British and Italian favourites along with comfort food classics in a relaxed and informal brasserie setting.

Bruno's family originally hail from Italy, but on coming to England, found themselves working in and eventually owning their own coffee bar & kitchen in Smithfield, London. Bruno's father always promised to provide for his family, bringing home 'only the best', and this is something that they demonstrate in their menus – "using only the best, locally sourced produce and putting it together the best way we know how", Bruno explains.
